## The Science of **LEARNING LANGUAGE** at **VIKRAM'S ENGLISH ACADEMY**

Vikram's English Academy is a melting pot of path breaking approaches towards teaching. These include Bloom's Taxonomy, Left-Right brain co-ordinated thinking, Multiple Intelligence Theory of Howard Gardner and Experiential Learning to name a few. All these scientific approaches have proved to be the most effective globally to teach-learn. These have been assimilated and integrated into special modules for ICSE English curriculum which includes using music for learning grammar, dramatization techniques for English Drama etc. Also Lateral Thinking is taught and encouraged, which goes a long way in enhancing the writing skills that would surely give them an edge in English.

#### Felicitation

**Vedanti Kshirsagar (Institute Topper - 96) and her Parents with Vikramjit Sir**

A felicitation programme (VEAnnas) is conducted to honour the students who excel at the ICSE board exams. This goes a long way in encouraging our current students for being the Champions of tomorrow.

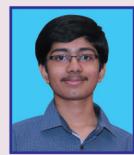

It has been a great year being a student of Vikram's English Academy. I have received constant positive vibes to perform well. Vikramjit Sir is a great mentor as well as a fab teacher. He was there to help me clear all my doubts a night before the board exams even at 2 am. The regular test series made me study regularly, perform well and boost up my confidence. English was not my cup of tea but the motivation, support and guidance that I received from the Academy helped me a lot to work hard, pass out with flying colours and keep up to the expectations of everyone.

(Schools from Vikhroli to Mulund)

Vikramjit Sir has always been a pillar of support for my daughter. I had been really worried about her English in 9<sup>th</sup> before joining VEA but ever since she joined Vikram's English Academy there was an increase in her English marks. I thank the Academy for their guidance.

*Anil Kshirsagar- Father of Vedanti.*

Vikram's English Academy is the ultimate place for learning English. I joined Vikram's English academy in 9th standard and since that day, my life has drastically changed. Vikram Sir makes learning so interesting that studying English is fun and enjoyable. I never wanted to miss any of his lectures. His innovative technique of teaching and jovial nature makes learning a very fascinating and delightful journey.'A good teacher is like a candle. It consumes itself to light the way for others.' Thank you sir for being that candle. **Kewal Dedhia 1<sup>st</sup> in Billabong (Overall)**

Sir prepares his students to face the world well with powerful English language.

*Dr.Nayana Dedhia - Mother of Kewal Dedhia*

Vikramjit Sir's lectures were the one thing I looked forward to every week as they were the occasions when I could think broader than I ever imagined I would be able to. Humor was a part of each lecture and kept students engrossed beyond any ordinary teacher's capacity.

**Prasann Vishwanathan 1<sup>st</sup> in English and Overall topper of SSRVM**

Hats off to Vikramjit sir for his dedication and love towards his students !

*Dr.Roopa Vishwanathan (Prasann's mother)*

"The best teacher teaches from the heart and not from the book." Vikramjit Sir doing full justice to this quote was nothing less than a superhero for his students. The manner in which he brought Antonio, Bassanio and other various characters of the Merchant of Venice alive was fascinating more than anything else.From the meeting of the Indian superheroes to the Milestone lecture and finally ending the journey with me becoming one of the VEAnnars of this academy, the journey has been a memorable one.

**Harsh Shah 2<sup>nd</sup> in JK Singhania in English**

I have been associated with Vikram's English Academy since my ninth grade. My experience has been beyond my imagination. I have not only learnt the lessons of English but also lessons of life. The way Vikramjit Sir teaches is mind boggling. There hasn't been a single lecture in two years where I have had to look at my watch or wait for it to get over.The doubt solving sessions are very helpful and help us to get a clear idea of all the concepts. The Pre-Prelims and the Prelims conducted indicate the hard work Sir has done for us and was reflected in the marks we scored. He is not just a teacher but an awareness I have been blessed to have.

**Kashish Harisinghani 1<sup>st</sup> in NES - Overall**

"A good teacher is the one who heals ignorance and an artist who inspires creativity". English was never my cup of tea but Vikramjit Sir made me fall in love with the subject specially 'The Merchant of Venice'. All these stories, drama and poems were well explained by Sir and have been deeply placed in my mind.Vikramjit Sir is a loving motivational teacher and a true English wizard because of whom ordinary students dream of doing extraordinary things.

**Kavisha Agarwal 2<sup>nd</sup> in Bombay Scottish Powai in English and Overall)**

Although Vikramjit Sir puts in tremendous efforts to come up with the best explanation to things, his way of teaching is as effortless and unique as it could get. Hard concepts seem easy when he teaches them. He understands the importance of concentrating on smaller things to be able to make a big difference which is why instead of directly being evaluated on the entire syllabus at once we are made to write several aptly spaced smaller tests first. Personally, it has helped me extremely in understanding my shortcomings. Be it revision or doubt clearing, I have never seen Sir grow tired of repeating himself regardless of what time of the day (or night) it is. More than our hard work it is his effort that has made all his students stand where they are, where they hardly imagined they could reach.

*Disha Thakkar 2<sup>nd</sup> in Pawar Public School in English*

Without Sir's support and trust in me I could not have reached this great score 94/100. He has been a great mentor, a supporter, a father figure in my life. I am proud to be a part of Vikram's English Academy. It's the best, one can ever get.

*Vandit Thosani 3<sup>rd</sup> in Pawar Public School in English*

I had scored 54 in English in the 9<sup>th</sup> grade and then a jump to 93 in English made a difference of 39 marks just because of the phenomenon called "Vikramjit Sir". I thank Sir and Vikram's English Academy for everything.
