The Science of **LEARNING LANGUAGE** at **VIKRAM'S ENGLISH ACADEMY**

Vikram's English Academy is a melting pot of path breaking approaches towards teaching. These include Bloom's taxonomy, left-right brain co-ordinated thinking, Multiple Intelligence Theory of Howard Gardner and Experiential learning to name a few. All these scientific approaches have proved to be the most effective globally to teach-learn. These have been assimilated and integrated into special modules for ICSE English curriculum which includes using music for learning grammar, dramatization techniques for English Drama etc. Also Lateral Thinking is taught and encouraged which goes a long way in enhancing the writing skills that would surely give them an edge in English.

REAL LEARNING

at

VIKRAM'S

ENGLISH ACADEMY

EXPERIENTIAL LEARNING AT ITS BEST

To facilitate the learning process, the students of our institute were introduced to their text book heroes Vishnu Zende and Mohammed Taufeek Sheikh the real heroes of 26/11 attacks who helped save many lives with their wit and valour. The interaction proved really valuable for the students to know about the reality of the day.

A felicitation programme is conducted to honour the students who excel at the ICSE board exams. This goes a long way in encouraging our current students for being the Champions of tomorrow with the customized trophies in their hands.

PROMPT COMMUNICATION AND FEEDBACK :

Parents are updated regularly about tests, paper distribution, events, fee reminders etc. through social messenger apps or SMS services. This helps them monitor the students and have a hassle free contact with the institute.

OUR INTERACTIVE WEBSITE :

We believe that constant technological innovation can arm the students with an edge, making them a winner all the way. On our website www.vikramssenglishacademy.com we already have a provision of grammar practice (with assessment), excellent essays written by toppers, multiple question papers with their answer keys to reinforce the concepts taught in the class.

REMEDIAL TEACHING :

At regular intervals, looking at the performance in tests, extra sessions for writing practice are conducted by experts. It is specifically done for those students who make errors in sentence formation and grammatical syntax.

MILESTONE :

Students of Std.X often need a reason to lift their spirits and drooping shoulders. To ignite their young minds with the fire to excel in exams and life, a special motivational lecture called 'Milestone' is kept in the month of September. For many it proves to be the game changer they desperately need.

THE DIFFERENCE WE MAKE

Incredible improvement in our students at ICSE English (2015)

I had joined Vikram's English academy in grade ninth and it has been a unique learning experience for me. I could have not reached 96 without Vikramjit Sir's guidance.

Vikramjit Sir is more than a teacher. He is a mentor, a friend, a father figure. Under his teaching and guidance, even those students who feel that English is impossible for them can fare really well.

...Nandita Shah - 96 in English at ICSE 2015.

A good teacher explains and great teacher inspires. We are certain that parents of all students at this academy will agree with us, that the inspiration Sir provides to his students is beyond compare. We are amazed by the innovative methods and techniques he comes up with, to kindle interest for the language in his students. We are glad that we had him to guide Nandita during the key formative years in her academic journey. Thank you sir for believing in our daughter and help her climb this pedestal.

... Falguni and Manish Shah (Parents of Nandita Shah)

Vikram Sirs English academy is a beautiful garden of budding English students. It is like a home full of learning, fun, emotions, memories and Vikramjit Sir himself...which makes the family complete.

...Sakshi Kale- 95 in English at ICSE 2015

Vikram's English Academy is the best I could have ever got !!

...Prachi Mota - 95 in English at ICSE 2015.

Till ninth standard I never thought that I would get 97% in Board Exams. It was some teachers in school and Vikramjit Sir who had confidence in me that I can get above 95. He is the best counsellor I have ever met. The essay discussions in the class changed my method of writing essays. Sir made every topic interesting and used a lot of proverbs. The beautiful Milestone lecture is the one which cannot be described in words. It will make you realise that life is beautiful and will motivate you.

...Rutuja Bhosale - 97 % overall and 94 in English at ICSE 2015.

Things that I have learned in this one year at Vikram's English academy are such that I couldn't not have learned in 2 or 3 years elsewhere. The pattern of teaching, the way of correction, the tests , the prelims, the extra time that Sir invested in us was helpful, rather amazing.

...Atharva Kulkarni - Jumped from 47 to 94 marks in English in a year

An ordinary girl taught by an extraordinary teacher, who never reflected his own knowledge like a mirror but indeed used it as an hammer to shape his own students. Beyond being my English tutor, a grammar wizard, an exceptional conversationalist there is something rare in him- he is blessed with the ability to recognize other's ability.
